

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Rail Safety and Carriers Division

RESOLUTION TL-18983

January 9, 2002

RESOLUTION

**RESOLUTION GRANTING VOLUNTARY SUSPENSION OF THE
PASSENGER STAGE CORPORATION CERTIFICATE HELD BY
AMRIK SINGH DBA RENO AIRPORT SHUTTLE (PSC – 13603)**

Amrik Singh (Applicant), doing business as Reno Airport Shuttle, holds a certificate of public convenience and necessity to operate as a passenger stage corporation (PSC-13603). The certificate authorizes Applicant to conduct “on-call” service between points in Alameda, Santa Clara, and San Mateo Counties and San Francisco, Oakland and San Jose International Airports.

By letter dated November 19, 2001, Applicant requested voluntary suspension of certificate PSC-13603 for six months. Applicant stated that a family emergency requires him to go out of state.

Most requests for voluntary suspension of a PSC certificate are granted for a period of one year. Pursuant to Applicant’s request, we will authorize suspension of service until May 25, 2002. However, we will also authorize the Rail Safety and Carriers Division to extend the voluntary suspension to as long as one year from the date of this resolution should Applicant find that he needs additional time to resume operations.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to Pub. Util. Code Section 311(g)(2), the otherwise applicable 30-day period for public review and comment is being waived.

THEREFORE, IT IS ORDERED that:

1. The passenger stage corporation certificate (PSC-13603) held by Amrik Singh (Applicant) is suspended on the effective date of this resolution.

2. During the period of suspension, Applicant shall file reports of gross operating revenue and pay the required fees pursuant to Pub. Util. Code Section 423.
3. Before resuming operations, Applicant shall make written request for reinstatement of his certificate to the Rail Safety and Carriers Division (RSCD) and comply with General Orders 101-E, 104, and 158-A.
4. Upon Applicant's compliance with Ordering Paragraph 3, RSCD is authorized to reinstate certificate PSC-13603.
5. The authority to suspend operations granted herein shall expire on July 8, 2002, or upon earlier resumption of service, which may be accomplished through compliance with Ordering Paragraph 3.
6. Upon written request of Applicant, the Rail Safety and Carriers Division is authorized to extend the period of voluntary suspension to up to one year from the date of this resolution.

The Executive Director shall mail a copy of this resolution to:
